

# GROWIDE GREEN POWER ADVISORS

A Corporate Presentation

# About Growide

- ▶ **“Growide Green Power Advisors”** is an outstanding Power Advisory Firm based in Chennai, Tamil Nadu. We deliver professional energy services and solutions, which leads to business growth.
- ▶ **Growide** Meaning - let us grow wider together through our association.
- ▶ **Growide** has been established by a team of young energy & environment management professionals with a sound technical background and rich experience in executing consultancy assignments in the field of Renewable Energy & Sustainability.
- ▶ **Our team** always look for the best recommendation to suit our client's needs. We always look to add value to clients throughout their lifetime.
- ▶ **Our Major Clients** are Power Producers (IPP's, Corporate companies, etc.,) & Power Consumers (Industrial, Commercial, Educational Institutions, etc.,).
- ▶ **Serviced** more than 50 MW Renewable & Thermal Projects.

# Our Main Focus & Services

- ▶ Power Trading Advisory
- ▶ Renewable Energy Advisory
- ▶ Carbon & Sustainability Advisory

# Power Trading Advisory

## Mainly Deals with

### 1. Wind Power

- Complete facilitation of power under Group Captive Scheme on long term basis (1 Year or More)

### 2. Coal & Biomass – Thermal Power

- Facilitation under Group Captive Scheme (1 Year or More)
- Facilitation under Short Term Open Access Basis (Monthly Basis or even Lesser)

### 3. Power from Exchanges (IEX/PXIL) – Facilitation Services.

*Note: All the above sources of power are cheaper than TNEB Power.*
